## Holy Trinity

The story is told of St Augustine of Hippo, a great philosopher and theologian. He was preoccupied with the doctrine of the Blessed Trinity. He wanted so much to understand the doctrine of one God in three persons and to be able to explain it logically. One day he was walking along the sea shore and reflecting on this matter.

Suddenly, he saw a little child all alone on the shore. The child made a hole in the sand, ran to the sea with a little cup, filled her cup with sea water, ran up and emptied the cup into the hole she had made in the sand. Back and forth she went to the sea, filled her cup and came and poured it into the hole.

Augustine drew up and said to her, "Little child, what are you doing?" She replied, "I am trying to empty the sea into this hole."

"How do you think," Augustine asked her, "that you can empty this immense sea into this tiny hole and with this tiny cup?"

She answered back, "And you, how do you suppose that with your small head you can comprehend the immensity of God?" With that the child disappeared.

The grace of the Lord Jesus Christ, and the love of God, and the fellowship of the Holy Spirit be with you all. Amen. (2 Cor 13: 14)
